Hi Tony-

I received your summons for the [REDACTED] case scheduled for trial on April 6, 2011 (I'm guessing that the July 2010 disposition date didn't go as planned). Just to let you know, I already have a case scheduled in Pittsfield that day. I know that your case is from back in 2007 so it may be more likely to go than the 2010 one from Pittsfield, so I'll ask the ADA there if he has an inkling whether his case would be the one chosen for trial that day. Sorry if this causes any problems.
